

SHARP – NPCP – SRS – RESIDENTIAL SOLAR ASSEMBLY

ORDER FORM

In partnership with NPCP, the IBEW is proud to introduce a new solar program designed to expand union presence in the solar industry. Now is the time for union electricians to take the lead in this emerging enterprise. This special IBEW package is presented at its best value to persuade IBEW members to obtain direct contact experience on their own home.

There is a full finance plan available exclusively to IBEW members. If you should require financing or have any questions regarding these systems please contact Chris Knight toll free at 1.866.983.2819 or Samara Levine at 914.380.6345.

We require _____ rows of _____ for a total of _____ modules.

Please be advised that the Sharp Solar Modules you are purchasing as an end user are intended solely for your use, specifically for the installation described below at the address described below. **Under no circumstances are these modules to be used or sold outside of the Continental United States.** Further, they are not to be moved to another location – For example a new home, without the permission of NPCP.

Your acknowledgement and acceptance of this condition is required as a condition of your purchase and is included in the purchase agreement.
